

GOODBYE 戴祖儀 吳業坤 - 想跟你好好道別我怕來不及 (劇集《香港人在北京》片尾曲)

See the tears in your eyes.

I think this is goodbye.

We simply do things that make us say why.

The last thing I want is to see you cry.

I 've been trying to hide.

thought we will just last over time.

Maybe's crazy but just want us to survive.

Because I don't know how to say goodbye

I realize life is not about what we achieve.

but more about understanding each other's needs.

and never about who will concede.

more what we truly believe

We just need to be true to ourselves to be free.

I realize now it will be best if I just Leave.

All your words hurt me more than you conceive.

Let me grieve when we don't succeed.

About what we believe

Hope one day you will agree.

and all of our sadness will be at sea.

Pause

I realize life is not about what we perceive.
but more about understanding each other's dreams.
and never about who will concede.
more what we truly believe
We just need to be true to ourselves to be free.

I realize life is not about what we achieve.
but more about understanding each other's needs.
and never about who will concede.
more what we truly believe

I hope you know....is so hard.... for me to say Goodbye.
