A M

COUNTING DOWN TO ALL THE DAYS, WITH DREAMS FOR A NEW YEAR WHY DO WE ALL WANT TO CHANGE, ONLY THINGS THAT APPEAR IS OUR WEIGHT, CHANGE OUR HAIR, WHAT TO WEAR, BRINGING US TO TEARS TO DO WHAT'S SINCERE, THAT SHOULD BE SO CLEAR LET ME CHANGE IT UP THIS YEAR WITH A SONG THAT CHEERS GOING TO START NOW, SO YOU CAN HEAR

SO BE THANKFUL WITH WHAT YOU HAVE got your gifts in December, now the new year begin Forget all the "might have been" With so many things that we can't comprehend All bad things will come to an end

SO BE THANKFUL WITH WHAT YOU HAVE Just go celebrate each day the best way that you can Don't worry about your hair or what to wear, real friends don't really care Close friends are always near Happy New Year!

So just think about the time, when you're the happiest

And Moments that made you proud. The Time you laugh so loud

Where you live, what you drive, where you buy, to standout in a crowd

Don't think that's the way, to see better days

What you need to do is to show the world that you care

So, let's all change up this time, so the world will hear

SO BE THANKFUL WITH WHAT YOU HAVE

Share your love with everyone, when the new year will begin

Dream that the world is our friend

So, let's just do things that we can all understand

Help someone till the end

SO BE THANKFUL WITH WHAT YOU HAVE

Just go Celebrate each day the best way that you can

Stop thinking the world is unfair

To care for others, to always be there

Be a friend that will be near

Happy New Year!

Don't care about what you own

And stop worrying what you owe

Correct all your mistakes

By whatever it takes

Don't you think is time, now to make it right. So, the time to make that change is now.

SO BE THANKFUL WITH WHAT YOU HAVE

got your gifts in December, now the new year will begin

Forget all the "might have been"

With so many things that we can't comprehend

All bad things will come to an end

SO BE THANKFUL WITH WHAT YOU HAVE

Just go Celebrate each day the best way that you can

Don't worry about your hair

or what to wear, real friends don't really care

Close Friends are always near

Happy New Year!
