

Parable of B

Intro Verse

Almost done with my work today.

I can't wait to be home.

I got this story on my mind.

I can't wait to jot it down.

Is about a parable for today's world.

the difference of what's A and B

Pre-Chorus

Today, everyone wants to be that A.

to be popular, standalone, and always seen

hardly used, barely heard, and in need,

of others to be seen.

That is B but its free

Chorus

This Song is called the Parable of B

A message that will not need good literacy.

B is the balance of greed and need

Truest words sometimes may sound naïve.

Verse

Caring is what makes this Entire World turn.

A can never exists without B.

Not Shakespeare (and) this is not a poetic piece.

Parable will be about the difference of greed and need.

Hope you don't think this song is my dumb wit,
with bad creativity.

A message simply needs daily.

Chorus

This Song is called the Parable of B

A message that does not need good literacy.

B is just balance of greed and need

Truest words sometimes may sound naive.

Bridge

"B" will never win Nobel Peace but remember the Parables of the Lost Sheep and the message of the Mustard Seed.

Final Chorus Conclusion

This song is called the Parable of B.

The message does not need good literacy.

I will never give in

So, the profoundness of B can be seen.

Final Verse

I can tell you more over dim sum and tea.

Share with you the many dreams of B. What's important will,
always be what's under one's true skin.

(Pause)

The second letter of the alphabet is B.

That's my nickname since I was three.
