

MACAU

Q A

You think this place is small, but her heart is so big.

I hear her voice the kindest ever on any streets.

And who knows, this may be my new home, felt I belong, I belong.

and you know that I just don' t feel alone.

I love the old and new.

(chorus)

MACAU

Wishing I will be there with you

Cause **MACAU**

Like me is both old and new

that Yellow just gives me this feeling.

And every taste I can just feel it

MACAU

Wishing I will be there with you.

Day/Night Faces

With all your food, friends, and families

Love these places

Remind me of how it used to be

And I won't be going home

For so long, for so long

But I know, I won't be on my own
On my own, I'm taking in.

(chorus)

MACAU

Wishing I will be there with you
cause **MACAU**,

You just remind so much of me
that Yellow just gives me this feeling
And every taste I can feel it

MACAU

Wishing I will be there with you.

Bridge

And I' ll eat street food forever
And We' ll walk everywhere together
Your heart so big
I hear you calling to me, yeah.

(chorus)

MACAU

Wishing I will be there with you
Cause **MACAU**

Like me, you are both old and new
that Yellow just gives me this feeling
And every taste I can feel it

MACAU

One day I will be there with you.
